Subject: FW: Docket numbers, draft press release and narrative summaries for December NPL Rule

NPL Update is scheduled for December 10, please find attached Narrative Summaries and draft HQ's press releases. The information will appear on the web on December 10-we need to notify the community and state contacts prior to the 10th- I am planning to notify my state environmental contacts via email on Friday December 6th. Please let me know if you need any additional information.
